PREPARE FOR YOUR VIRTUAL INTERVIEW

Stand out from the crowd and increase your chances of having a successful job interview with these helpful strategies.

PRE-GAME TECH CHECK
- Find a quiet place to set up for the interview.
- If possible, use a laptop or desktop computer rather than your phone.
- Test your internet connection and speed (50MB download/upload minimum).
- Use earphones or a headset for the best sound quality.
- Do a sound and camera check.
- Practice using Microsoft Teams with a pal.

PRE-GAME PREP
- Visit aenetworks.com to familiarize yourself with our company and brands.
- Review the job description provided in your confirmation email.
- Come prepared with a few questions to ask the interviewer.
- Wear something that makes you feel confident and presentable.
- Confirm the time zone of your appointment.
- Minimize distractions by muting all notifications on your devices.

TIME TO SHINE
- Be ready 10 minutes ahead of time.
- Blur your background or select a neutral background.
- Find your light: sit facing a window or another light source.
- Choose to sit or stand rather than recline.
- Speak up, lean in and look directly into the webcam when you introduce yourself. You got this!

POST-GAME FOLLOW-THROUGH
- Email a thank-you note to your interviewers within 24 hours, and highlight your qualifications and interest in the position.
- Contact your recruiter to let them know how you think it went and ask about next steps.
